Good Morning Angel🌻
Up he including Sat
Truer words have never
been spoken We should
always blame the parents
It's really sad to see foolish
celebrities sitting there with their daughters saying
I'm doing this for my child
I want her to have the
freedom I had 💯Actually

Kamala Harris brought slavery back to America & lost children.
Shame on you Kamala supporters.

Jordan Bowen is the Kamala Trash that was recorded yelling at a toddler. Of course she is a paid operative of the Kamala campaign. Democrats want to kill babies and scream at toddlers because they are pure evil. Would be justice if this woman lost her livelihood!

Readers added context:
Jordan Bowen is not the woman in the video. Bowen is older.

archive.ph/vNo6q
Conservative Texas newspaper Current Revolt has verified the person in the video IS NOT Jordan Bowen.
archive.ph/542989
Harris County Democratic Party stated it is NOT Bowen, and the person has never been employed by HCDP.
